Dear Valued Colleague,

The Port Operators Association of Türkiye (TÜRKLİM) is pleased to officially endorse the *Black Sea Ports and Logistics 2026 Exhibition and Conference*, which will take place from Tuesday, 9 June to Thursday, 11 June 2026 at the DoubleTree by Hilton İstanbul-Piyalepaşa, Türkiye.

This prestigious international event is expected to gather over 300 senior executives, including harbour master, port and harbour engineers, procurement decision-makers, representative of port authorities and operators, cargo owners, importers and exporters, logistics companies, shipping lines, freight forwarders, terminal and railway operators, maintenance supervisors, and port equipment and services providers from across the Black Sea region and beyond.

Türkiye, uniquely positioned between Europe, Asia and Africa, plays a vital role in regional and global maritime trade with its extensive coastline and dynamic port infrastructure. **TÜRKLİM**, representing 77 private port operators across Türkiye, accounts for approximately **95% of total cargo handled** in Turkish ports and **65% of the maritime trade's economic value**. Since 1996, TÜRKLİM has worked to promote sectoral excellence, provide vocational certification, and represent the industry in cooperation with national and international stakeholders.

The two-day conference program will feature 30 distinguished speakers addressing the theme of sustainability in creating a modern logistics platform for the Black Sea transportation and logistics sector. A limited number of 50 companies participation and sponsor opportunities are available at this major regional maritime event, offering a unique commercial platform to engage directly with key stakeholders.
